

Do business on
your terms.

Get the purchasing power to tackle what's next.

Achieve your business goals.

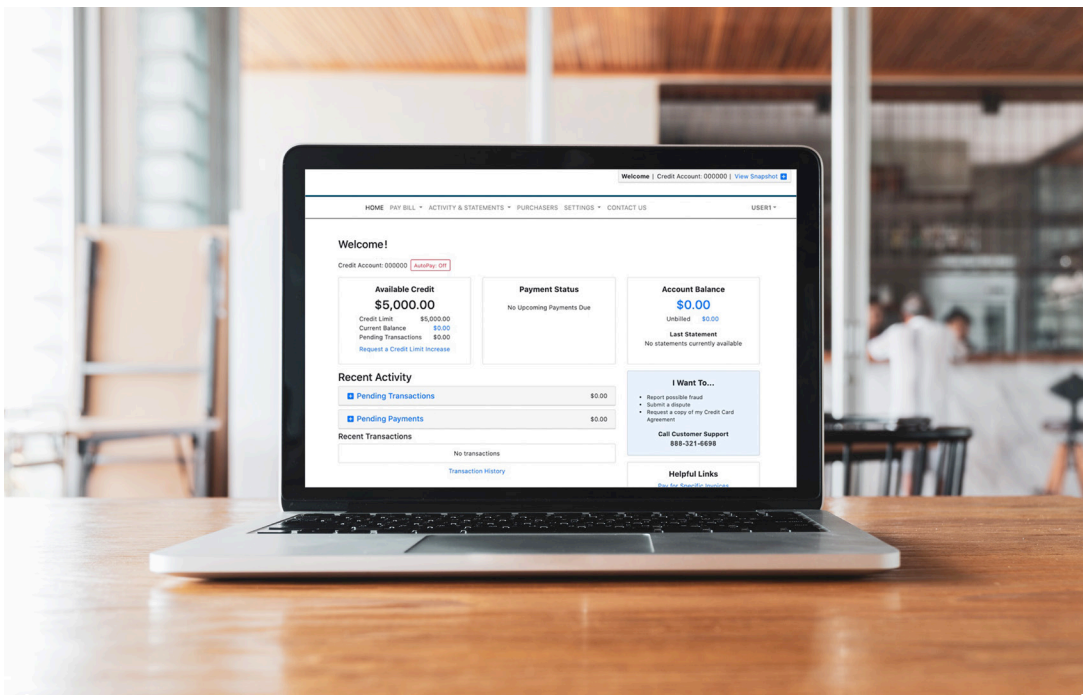

We provide flexible lines of credit so you can grow your business. We also offer extended terms and online bill pay for even more convenience and control.

It's simple.

Purchase from us using your Capital One Trade Credit account. You'll either be sent an invoice 24 hours after your purchase or receive a monthly statement.

It's convenient.

Easily pay online, by phone or by mail. Choose to pay by statement, job or invoice. And if you need a credit line increase, just give us a call and we can provide an immediate response with our instant decisioning.

Work smarter, not harder. Manage your account with **SmartView**[®].
